# *With Respect To Tradition*

*Our goals for this year will be focused on continued growth in charitable fund raising and giving, our Rainbow and DeMolay youth programs, Membership Development, and with the additional focus leaning towards the Brothers of our Lodge and those that have slowly moved away and bringing them back to the Lodge.*

*Charity and South Seminole Lodge are synonymous, and our initiative processes will only improve. We will continue our support of teachers, food banks, and foster children! Our efforts of the past have helped us achieve a new level of standard that we will build on this year. As South Seminole continues to grow, We look forward to all of our Brothers working together moving, striving, and achieving our goals. We continue to work towards a strong and marvelous future as men and Masons!*
